

Nut/OS API

```
graph LR; A[Nut/OS API] --> B[Version Information]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is white with a black border and contains the text 'Nut/OS API'. The right box is light gray with a black border and contains the text 'Version Information'. A blue arrow points from the right side of the left box to the left side of the right box.
